

Thursday 19<sup>th</sup> May 2016

**Attention : Pre-Junior A, B & C students  
(students only)**

Dear Parents,

As part of our educational programme we have planned to take our young students to San Anton Gardens located in Attard for a morning of fun packed activities and games organised by the 'Once Upon a Time' Kids Animation Team. This outing will be held on **Thursday 26th May**. It will be a 'Pirate & Fairy' theme-based outing and the students are all encouraged to come to school wearing either a pirate costume (or something similar in the case of the boys) or a fairy costume (in the case of the girls). Parents are not expected to buy a costume. They can make/prepare the costume using some casual clothes and add on some accessories (no sharp objects please!). The School has a dress up area in Flutterby and can improvise or provide a costume to the students who do not have one. Please note that no sleeveless dresses/costumes or very short dresses will be allowed. **Children should have light and comfortable clothes/costumes and appropriate and safe shoes.**

The activities will take place in the shaded inner area of the garden, close to the San Anton Palace. Parents are kindly requested to provide their child with a cap, the usual lunch, 2 small bottles of water and a small towel (which will serve as a picnic mat), all of which are to be placed in a separate labelled small backpack. Also, some sunblock cream (to be applied on face and hands at home) is recommended.

The outing will be postponed in the case of bad weather and the students will have a normal school day.

The outing fee is 6 Euro which includes the animation fee, the transportation and the extra supervision required for the day. Kindly fill in the form hereunder and enclose it together with the money in an envelope. Please address the envelope to the class teacher concerned and send it to school by not later than Wednesday 25<sup>th</sup> May.

Whilst thanking you in advance for your kind attention and co-operation, please do not hesitate to contact me should you have any further queries.

Regards,  
Ms Karen Galea  
Early School Years Director
